

BESPOKE INVESTMENT MANAGEMENT SERVICE – SCALE OF CHARGES

We are required to comply with the Rules of The Financial Conduct Authority and The London Stock Exchange when carrying out investment business. Our Scale of Charges should be read in conjunction with our Terms and Conditions of Business and Client Agreement. The charges set out are our standard rates and may be varied, but only if agreed prior to conducting the transaction.

These charges apply to the entire portfolio whether or not held in an ISA.

Annual Management Fee (liable to VAT)

On first £250,000	1.25%
On next £500,000	1.00%
On next £750,000	0.75%
Balance over £1,500,000	0.50%

The minimum fee is £1,250 per annum plus VAT.

Management fees are calculated monthly as a percentage, being 1/12th of your fee rate, of the total value of your assets under management at the month end. The fees are charged quarterly in arrears as at the end of March, June, September and December. A pro-rata fee is charged for portfolios which are transferred into or out of the Bespoke Investment Management Service during the quarter.

Example

For a portfolio worth £300,000 the annual management fee would be:

£250,000 @ 1.25%	£3,125
£50,000 @ 1.00%	£500
Total annual management fee	£3,625 plus VAT

Based on a constant portfolio value of £300,000 in this example, our fee would be £906.25 plus VAT per quarter charged in arrears. If your portfolio increased in value to £310,000 our quarterly fee would rise to £931.25 plus VAT and if it fell in value to £290,000 our quarterly fee would reduce to £881.25 plus VAT.

Transaction charges

There is a flat rate charge of £30 per transaction.

Unit Trust and Open Ended Investment Company Investments

If we invest in a unit trust or Open Ended Investment Company for you, our standard transaction charges apply and there may also be an initial charge payable to the fund manager.

Fund managers normally levy an annual management charge on funds they manage; typically, this is around 0.75% of the value of the fund. This is taken directly by the fund managers and is reflected in the value of the fund units.

If you require details about the initial charge and annual management charge please ask your account executive.
