SUMMARY OF THE ANALYSIS AND CONCLUSIONS DRAWN FROM OUR MONITORING OF THE QUALITY OF EXECUTION

RTS 28 REQUIREMENT	COMMENT
An explanation of the relative importance the firm gave to the execution factors of price, costs, speed, likelihood of execution or any other consideration including qualitative factors when assessing the quality of execution	The relative importance given to the execution factors was in line with the company's Order Execution Policy. The best possible result in the first instance is determined by the overall cost.
A description of any close links, conflicts of interests, and common ownerships with respect to any execution venues used to execute orders	None
A description of any specific arrangements with any execution venues regarding payments made or received, discounts, rebates or non-monetary benefits received	None
An explanation of the factors that led to a change in the list of execution venues listed in the firm's execution policy, if such a change occurred	We carry out an ongoing review of execution venues.
An explanation of how order execution differs according to client categorisation, where the firm treats categories of clients differently and where it may affect the order execution arrangements	Not applicable
An explanation of whether other criteria were given precedence over immediate price and cost when executing retail client orders and how these other criteria were instrumental in delivering the best possible result in terms of the total consideration to the client	Not applicable
An explanation of how the investment firm has used any data or tools relating to the quality of execution, including any data published under Commission Delegated Regulation (EU) 2017/575	The company monitors the quality of execution using post trade analysis tools. The company believes that it has met its obligation to achieve the best possible result for its clients on a consistent basis during the reporting period.
Where applicable, an explanation of how the investment firm has used output of a consolidated tape provider established under Article 65 of Directive 2014/65/EU	Not applicable
